SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Utility costs are too high now. For most people in Ohio, especially those on a fixed income. Raising utility prices represents the potential for adversity for many. In light of our current economy, In my opinion, raising utility costs is a bad idea. Please don't approve any rate hikes right now. I'm sure these companies are making a profit without raising prices. Thank You.
