Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Any price increases, especially those on a fixed income, need to be kept to a minimum. With the rising costs of everything, the ability to heat and/or cool the home has become a luxury instead of a necessity. Please keep any price hikes reasonable and consider the elderly and fixed income households.
