DOCKETING CASE #:21-0637

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

It is amazing to me that Columbia is asking for a 21% rate increase. While it may have been a while since they have had a rate case, the amount of riders should be sufficient for them to provide safe, reliable service and make a bit of profit. We own a building that has Columbia Gas service and last month we used no gas whatsoever. The bill was still \$35, all in riders and zero ccfs used. Enough is enough. If the PUCO grants the rate increase, the riders need to be canceled.
