3. Interim Emergency and Temporary Rider for Recovery of Percentage of Income Plan Costs.

In addition to all other rates and charges applicable to the service provided under the Company's General Service and Industrial Service Rate Schedules governing the distribution and sale of gas, customers receiving service pursuant to the General Service and Industrial Service Rate Schedules shall pay an additional amount per Ccf for the recovery of Percentage of Income Plan ("PIPP") costs. The monthly PIPP charge was established in accordance with the order of the Public Utilities Commission of Ohio in Case No. 22-0407-GA-PIP. The current PIPP charge is (\$0.00113) per Ccf.

4. Reconciliation

The PIPP Rider is updated annually. The Company's actual PIPP expense for the applicable Rate Schedules, including carrying charges, shall be reconciled annually, with any over or under collection being reflected as a charge or credit in a subsequent update of the Rider Rate. The charge or credit may include Customer refunds if the Commission or Supreme Court of Ohio determines, as a result of an audit of the annual period in which the Rider Rate was in effect, that the Company's charge was unlawful or unreasonable or included imprudent amounts.
