Subject: Birch Solar 1 Public Comment

To Matt Butler and The Ohio Power Siting Board:

My name is Adrian Whetstone and I reside in Auglaize County. I want to let my opinion be known , that I STRONGLY OPPOSE Birch Solar 1.

Case #

20-1605-EL-BGN for Birch Solar 1

My husband and I have family and friends that reside in Logan Township, Auglaize County! This project is not a necessity to the community. The opposition is still alive in the community. I still do not believe all the concerns the community have are being addressed and are being swept under the rug! Too many residents will experience the negative affects!

I highly encourage you to deny Bitch Solar 1 and listen to the opposition in the community!!!

Sincerely,
Adrian Whetstone
