

Memo

To: Docketing Division

From: Thomas Persinger, Rail Project Specialist, Rail Division

Cc: PUCO Legal Department

Date: 7-12-2022

Re: PUCO Case No. 17-1508-RR-FED In the Matter of a Request for the Installation of New Active Warning Devices at Norfolk Southern Railway Grade Crossings, Stewart Street (DOT# 524-628S), Irwin Street (DOT#527-818F), Miami Chapel Road (DOT#524-629Y), & Findlay Street (DOT#527-819M), in Montgomery County, Ohio.

On June 12, 2017, the Ohio Rail Development Commission (ORDC) authorized construction for Norfolk Southern Railway to install active warning devices at the following locations:

Street	DOT#	County	Project
Stewart St.	524-628S	Montgomery	Lights and Gates
Irwin St.	527-818F	Montgomery	Lights and Gates
Miami Chapel Road	524-629Y	Montgomery	Lights and Gates
Findlay St.	527-819M	Montgomery	Lights and Gates

On July 26, 2017, the Commission issued a Finding and Order approving the project and ordering completion by July 26, 2018.

NS requested multiple project extensions due to utility conflicts, FRA Positive Train Control initiative deadlines, and crew shortages. The Commission approved all extension requests, except for the last extension request filed on July 30, 2019, which was denied by the Commission on August 28, 2019.

The crossing projects has been completed and is in-service as follows:

Street	DOT#	County	Date of Completion
Stewart St.	524-628S	Montgomery	10/23/2019
Irwin St.	527-818F	Montgomery	11/5/2018
Miami Chapel Road	524-629Y	Montgomery	2/4/2019
Findlay St.	527-819M	Montgomery	2/12/2019

Accordingly, the above case may be closed.
