|                        | e time I was informed of the BP Birch Solar Project, I was shocked                            |  |  |  |  |  |  |  |  |
|                        | that most of the local residents in Shawnee Township had little or                            |  |  |  |  |  |  |  |  |
