Mathew :

I have spent 29.5 years serving Shawnee township as a first responder and couldn't think of a worse idea to bring onto this community. The amount of community resources that will be taxed during the building of this project will be a problem! Fire/ Ems will receive more usage with constant influx of workers , more equipment, and increased traffic flow . Not to mention the negative impact upon the natural resources and wildlife that is so prolific in that area . Please reconsider this dreadful Money grab by big business!! NO BIRCH SOLAR!!

Sincerely  
Steve kennedy  
Shawnee twp Resident
