<b>Enter your question or comment</b>	We are farm owners at address 4595 Hume Road, Lima, Ohio 45806 and have lived here 70 years total. We are very much opposed to the whole project. It will impact the local property values negatively, agricultural business and dealing with the home and fields associated. This is a generational property which will be impacted over 5-6 generations total. This will be a decision that cannot be reversed once executed for total financial and environmental impact. Hard work and social values will be taken.
