Enter your question or comment	<p>I am by no means opposed to clean energy. I am opposed however, to looking out my window and seeing row upon row of solar panels. I am probably one of the few people who find corn and bean fields to be beautiful. I enjoy driving the back country roads of Allen County at golden hour and seeing miles of farmland perfectly aglow. Is there no unpopulated land along an interstate somewhere that could be used for this project?!</p>
