Regarding Birch Solar 1 Case Number 20-1605-EL-BGN.

I am vehemently opposed to the Birch Solar project. There are virtually no local benefits to its construction and numerous drawbacks, many of which are harmful to our community. Destruction of Crop Producing Land, Water Runoff Concerns, Local Wildlife Restrictions and Habitat Loss are among a few harmful results of the proposed project. Also Real estate property values will be negatively affected, along with the foreign made panels causing waste problems in the future after their lifespan has ended. I am therefore earnestly petitioning for OPSB to deny permitting the construction of Birch Solar 1.

Lori M Swygart  
Resident of Shawnee Township  
Lima, Ohio
