Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Please do not approve the gas service fee increase or any rate increase.

At my house we split bills three ways but it is still a large monthly expense for us.

Additionally, my roommate just lost her job due to a misworded email which puts our future in jeopardy of being able to afford our housing expenses.

With all other costs of living going up due to inflation, housing costs need

to stay stable for any hope of maintaining affordable housing in Columbus.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
