I just wanted to voice my concern regarding Columbia Gas of Ohio potentially increasing my rate by 27%. I grew up poor. Many months were a struggle to feed our family, but we made it happen. I can promise you, a gas bill going up by this much every month would have meant no dinner for a few nights. We had \$100, if we were lucky, to last us a month with five mouths to feed. Approving this price hike will likely kill people. Life is a struggle for many families in the area. Please do not make it harder.
