Staff Review and Recommendation for
Acclaim Energy Ltd
Case No. 19-1490-EL-AGG

On May 9, 2022 Acclaim Energy Ltd. (Acclaim or Applicant) filed an application with the Commission for renewal of its certification as a competitive retail electric service (CRES) provider. On June 2, 2022, the renewal application was suspended in order to give the Commission and Staff additional time to consider the application.

The application, as filed, did not include all the necessary information to complete a thorough review of the Applicant's ability to provide CRES in Ohio. On July 14, 2022, the Applicant filed additional documentation for Staff review. With the revisions, the Applicant has filed all necessary information for a complete review. Therefore, Staff is recommending that the application filed on May 9, 2022, as amended on July 14, 2022, be approved.
