**STATEMENT OF VECTREN ENERGY DELIVERY OF OHIO, INC. D/B/A  
CENTERPOINT ENERGY OHIO INFORMING THE COMMISSION  
WHETHER THE ISSUES RAISED IN COMMENTS HAVE BEEN RESOLVED**

In accordance with the Commission's March 8, 2022 Entry in this proceeding, Vectren Energy Delivery of Ohio, Inc. d/b/a CenterPoint Energy Ohio (CEOH or the Company) hereby files its statement informing the Commission whether issues raised in the comments have been resolved.

The Staff Report fully adopts the Audit of CEOH's Capital Expenditure Program (CEP) submitted by Larkin & Associates, PLCC (Larkin). The Audit Report did not contain recommendations that would modify CEOH's initial CEP Rider Rate as proposed in this proceeding, which was provided in the Application, page 5, as \$0.62 per residential customer. (CEOH Cmts. at 2.) Based on the Audit Report and the Staff Report, it is the Company's understanding that Staff accepts the Company's initially filed revenue requirement, inclusive of variances, of \$3,055,066 for the purposes of setting CEP rates in this proceeding. The table below shows the customer rates based on the CEP revenue requirement of \$3,055,066 and as supported by the Application, Direct Testimony, and Schedules filed in this proceeding.

Rate Schedule	\$ Per Month	\$ Per Billing CCF
310, 311, and 315	\$0.62	
320, 321, and 325 (Group 1)	\$0.81	
320, 321, and 325 (Group 2 and 3)		\$0.00372
345		\$0.00151
360		\$0.00093

The Company's comments also addressed the non-revenue recommendations in the Audit Report. The Company considers those issues resolved based on the explanations and approaches set forth in the Company's comments. (CEOH Cmts. at 2-3.)

Given the resolution of all issues raised by parties' comments in this proceeding, a hearing in this cause is unnecessary. Entry ¶ 10(e) (March 8, 2022). *See e.g.*, Case No. 21-0620-GA-RDR. Therefore, CEOH respectfully requests that the Commission approve its Application and the CEP charges set herein.

Dated: July 22, 2022

Respectfully submitted,
