Re: OPSB Case No. 21-1231-EL-BGN Fountain Point Solar Project

Dear Ohio Power Siting Board:

I am sending this letter to express my opposition to the Fountain Point Solar Project.

Invenergy does not have concrete plans or a signed contract with a decommissioning company to handle the disposal of the solar panels. This is a huge gamble and could result in a failure to properly remove and/or recycle the panels according to state laws.

This project does not meet the public interest, convenience, and necessity and should be denied.

Regards,
