**DOCKETING CASE #:** 21-0887-EL-AIR

**SUBJECT:** Duke Energy Ohio - Protest Rate Case

I oppose an increase in Electric Distribution Rates. Consumers don't have a choice of which company distributes electricity. This rate is applied to all users regardless of the amount of energy consumed, if any. It is ridiculous that a utility company can charge a fee just for having an account, on top of mind-numbing lists of riders, in addition to the electricity. Duke Energy is enjoying an increase in revenue, while most of its customers are not. Citizens need electricity just to exist in our society. Please protect Ohio's residents from these increased costs.
