A-13. Company history

Empower Gas & Electric LLC (Empower), also registered under the trade name Empower Saves, was formed in 2013 to provide responsive energy solutions to communities as well as

residential and commercial customers. Empower utilizes its unique data platform to analyze customer utility bills and help customers save and manage energy resources at a reasonable cost.

Empower leverages utility and consumer data to assist customers in purchasing energy savings and services. By utilizing its proprietary data analytics and digital customer acquisition platform, BOLT (Building Optimization & Learning Technology), EmpowerSaves allows utility customers to analyze their utility bills; identify potential energy savings; and receive individualized product and solution packages that will assist the customer in attaining energy savings. All of this is presented through a customizable customer acquisition platform-specific to each customer.

Empower's officers and directors have a long and rich history in energy-related development, management, regulations, delivery, and sales. Empower previously held certification in Ohio as a competitive retail gas supplier (Case No. 15-1329-GA-CRS) and as a competitive retail electric marketer (Case No. 14-113-EL-CRS) which it voluntarily relinquished. Empower is currently certified as a competitive retail electric aggregator/broker, which it is seeking to renew.

A-14. Secretary of State

Secretary of State Link:

Section B: Applicant Managerial Capability and Experience

B-1. Jurisdiction of operations

List all jurisdictions in which the applicant or any affiliated interest of the applicant is certified, licensed, registered or otherwise authorized to provide retail natural gas service or retail/wholesale electric service as of the date of filing the application..

Jurisdiction of Operation: Empower Gas and Electric, LLC is not certified, licensed, and registered to provide retail or wholesale electric and aggregation services in any state or jurisdiction outside of the state of Ohio.

B-2. Experience and plans

Describe the applicant's experience in providing the service(s) for which it is applying (e.g., number and type of customers served, utility service areas, amount of load, etc.). Include the plan for contracting with customers, providing contracted services, providing billing statements and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Sections 4928.10 and/or 4929.22 of the Ohio Revised Code.

Application Experience and Plan Description: The officers and members of Empower Gas & Electric have extensive and longstanding utility service, regulation, sales and development experience in Ohio.

Empower's team have collectively developed hundreds of megawatts of operating generating facilities - fossil fuel-based and renewables - regionally, nationally, and globally. Additionally, the core group includes individuals with strong electricity regulatory experience, who are well informed on Commission rules, practices and expectations.

Experience includes:

- Participation in dozens of Commission actions, including work directly with all of Ohio's investor owned utilities, and many of their retail counterparts.
- Extensive experience in high quality customer service as well as product development and marketing for Fortune 500 companies.
- Strong relationships with bonded energy service companies, wholesale energy suppliers, and other channel partners.

B-3. Disclosure of liabilities and investigations

For the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant, describe all existing, pending or past rulings, judgments, findings, contingent liabilities, revocation of authority, regulatory investigations, judicial actions, or other formal or informal notices of violations, or any other matter related to competitive services in Ohio or equivalent services in another jurisdiction..

Liability and Investigations Disclosures: There are no existing, pending, or past rulings, judgements, contingent liabilities, revocation of authority, regulatory investigations, or any other matter that could adversely impact Empower Gas & Electric, LLC's financial or operational status or ability to provide the services it is seeking to be certified to provide.

B-4. Disclosure of consumer protection violations

Has the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant been convicted or held liable for fraud or for violation of any consumer protection or antitrust laws within the past five years?

No

B-5. Disclosure of certification, denial, curtailment, suspension or revocation

Has the applicant, affiliate, or a predecessor of the applicant had any certification, license, or application to provide retail natural gas or retail/wholesale electric service denied, curtailed, suspended, revoked, or cancelled or been terminated or suspended from any of Ohio's Natural Gas or Electric Utility's Choice programs within the past two years?

No

Section C: Applicant Financial Capability and Experience

C-1. Financial reporting

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

Does not apply

C-2. Financial statements

Provide copies of the applicant's two most recent years of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted**.

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

Preferred to file this information confidentially

C-3. Forecasted financial statements

Provide two years of forecasted income statements **based solely on the applicant's anticipated business activities in the state of Ohio.**

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

Preferred to file confidentially

C-4. Credit rating

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services, Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

File(s) attached

C-5. Credit report

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity seeking certification. At a minimum, the credit report must show summary information and an

overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

File(s) attached

C-6. Bankruptcy information

Within the previous 24 months, have any of the following filed for reorganization, protection from creditors or any other form of bankruptcy?

- Applicant
- Parent company of the applicant
- Affiliate company that guarantees the financial obligations of the applicant
- Any owner or officer of the applicant

No

C-7. Merger information

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

No

C-8. Corporate structure

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies, subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

Stand-alone entity with no affiliate or subsidiary companies

Section D: Applicant Technical Capacity

D-1. Operations

Power brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of electricity to retail customers.

Operations Description: Empower Gas & Electric LEG (Empower), also registered under the trade name EmpowerSaves, was formed in 2013 to provide responsive energy solutions to communities as well as residential and commercial customers. Experian Business Credit Score

6

Business Credit
Score

High Risk

The objective of the Experian Business Credit Score is to predict payment behavior. High Risk means that there is a significant probability of delinquent payment. Low Risk means that there is a good probability of on-time payment.

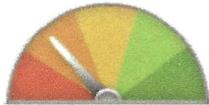

Key Score Factors:

- Number of recently active commercial accounts.
- Number of commercial accounts with net 1-30 days term.
- Number of derogatory commercial legal items.
- Length of time on Experian's file.

Business Credit Scores range from a low of 1 to high of 100 with this company receiving a score of 6. Higher scores indicate lower risk. This score predicts the likelihood of serious credit delinquencies within the next 12 months. This score uses tradeline and collections information, public filings as well as other variables to predict future risk.

Experian Financial Stability Risk Rating

4

Financial
Stability Risk
Rating

Medium-High Risk

A Financial Stability Risk Rating of 4 indicates a 10% potential risk of severe financial distress within the next 12 months.

Key Rating Factors:

- Number of active commercial accounts.
- Number of commercial derogatory public records.
- Number of commercial accounts.
- Risk associated with the company's industry sector.

Financial Stability Risk Ratings range from a low of 1 to high of 5 with this company receiving a rating of 4. Lower ratings indicate lower risk. Experian categorizes all businesses to fit within one of the five risk segments. This rating predicts the likelihood of payment default and/or bankruptcy within the next 12 months. This rating uses tradeline and collections information, public filings as well as other variable to predict future risk.
