Good afternoon,

I received a letter from Allen co. commissioner Beth Seibert reaching out to residents of Allen county in opposition to the Birch Solar project. I live in Amanda twp. not far from where the proposed site will be located and am in 100% opposition to this project for a number of reasons of which has been pointed out since the beginning. You may forward my opinion or add me to the list of residents in opposition to this matter to the Ohio power siting board as needed.

Thank you,
Kurt Rehling
