Matt and the siting board. Please do not give Yellowwood the stipulation.. the Clinton County Commissioners has said they do not want solar in our county. Many of us has also wrote to the Board and stated we do not want solar either. I helped to get over 500 signatures stating that they do not want this also. So why on God's green earth would you go against that, and many people wishes? Does that not speak volumes to you? The pilot and ruma was denied for a reason. So that should what you need to go by, not just being bought and sold.

Sincerely

Janet Collins
