### Failure to submit a Request for Administrative Hearing

If you do not serve a timely "Request for an Administrative Hearing" in the manner described above, you will forfeit your right to further contest the violations described in this notice and the occurrence of the violations will be conclusively established. Also, your Ohio operating authority and/or your commercial driving privileges may be sanctioned as permitted by law.

### Codes, Violation Groups, and Forfeiture Amounts

"Code" in this notice identifies the rule violated. Numbers in a 100 or 300 series refer to specific sections of the Hazardous Materials Regulations or the Federal Motor Carrier Safety Regulations located in Title 49 of the Code of Federal Regulations (CFR). Some section numbers may have suffixes beyond those appearing in the CFR. These are used for internal data collections purposes. Codes in other formats refer to violations of Ohio's statutes or regulations.

"Violations Group" identifies the assigned numerical group (1-4) for the violation for purposes of calculating the civil forfeiture. Section 4923.99, Ohio Revised Code (ORC) authorizes the Public Utilities Commission of Ohio to assess civil forfeiture up to \$25,000 for each day of each violation. The amount of any forfeiture is dependent upon the nature, gravity, circumstances, and extent of the violation, the offender's degree of culpability for the violation, and the offender's violation history. "Total Amount Due" is the total amount of the civil forfeiture assessed for all violations described in this notice.
