The clinton county Commissioners have denied the pilot and the ruma. That is very clear statement saying that it is not wanted in our county. I helped to get over 500 signatures stating they don't either. So what part of that is not understood thar our county our families, our neighborhood and community do not want this here. We love it here or we would not be here and live here for all of our lives. So please do not issue the stipulations. I.m intervener and not willing to sell my soul for any of this mess. Thank you Janet Collins</p>
