SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Columbia Gas wants PUCO to allow monthly distribution charges for gas to increase from 16.74 to 46.31. That is 354.72 per year. This is outrageous. Heating gas costs have doubled in one year and this additional fee would cause serious problems for those of us retired and on Medicare. Please do not allow this to happen. We are all struggling to keep up with cost of living.

This message and any response to it may constitute a public record and thus
