**MOTION REQUESTING AN EXTENSION OF THE
 CERTIFICATE EXPIRATION DATE
 DURING PENDENCY OF THE CERTIFICATION APPLICATION**

Gold Star Energy, LLC, requests an extension of the certificate expiration date during pendency of the certification application, which is being submitted with this motion.

Gold Star's certificate expires on August 24, 2022. Gold Star's prior application had been submitted by Gold Star's Director of Administration – Sandra Winland. Sandra Winland retired unexpectedly. As such, it appears Gold Star did not receive any communications about the expiration until August 21, 2022, when Gold Star's CEO, Tom Engle, received an email from the PUCO.

To the extent the Ohio Public Utilities Commissions requires anything further information, please contact the undersigned immediately.

Respectfully Submitted:
