SUBJECT: Duke Energy Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

There is no need to increase the cost of the utility charges. I am in agreement that a \$4.5 million bill-payment assistance program for low-income and working-poor consumers should be funded by Duke's stockholders.
Stockholders make enough of a profit as it stands.
