*Re: In the Matter of the Application of Ohio Power Company  
to Update its Enhanced Service Reliability Rider, Case  
No. 21-1268-EL-RDR*

Dear Examiner See:

On December 27, 2021, Ohio Power Company (AEP Ohio) filed its Application to Update its Enhanced Service Reliability Rider for 2020 and 2021. On August 23, 2022, Staff filed its review and recommendation in response to AEP Ohio's application, recommending a disallowance of \$66,098.26 from the revenue requirement. While the Company does not agree with Staff's proposed disallowance, AEP Ohio can accept that Staff's position as a reasonable outcome to this case.

Thank you for your attention to this matter.

Regards,

*/s/ Steven T. Nourse*
