# Ohio Revised Code
Section 4928.54 Aggregate percentage of income payment plan program customers.

Effective: October 5, 1999
Legislation: Senate Bill 3 - 123rd General Assembly

Beginning on the starting date of competitive retail electric service, the director of development may aggregate percentage of income payment plan program customers for the purpose of competitively auctioning the supply of competitive retail electric generation service to bidders certified under section 4928.08 of the Revised Code and further qualified under eligibility criteria the director prescribes by rule under division (B) of section 4928.53 of the Revised Code after consultation with the commission and electric light companies regarding any such rule. The objectives of the auction shall be to provide reliable retail electric generation service to customers, based on selection criteria that the winning bid provide the lowest cost and best value to customers. The rules adopted by the director under division (b) of section 4928.53 of the Revised Code shall ensure a fair and unbiased auction process and the performance of any winning bidder.

Exhibit 6

Ohio Revised Code

Section 4928.54 Aggregate percentage of income payment plan program customers.

Effective: September 29, 2015
Legislation: House Bill 64 - 131st General Assembly

The director of development services shall aggregate percentage of income payment plan program customers for the purpose of establishing a competitive procurement process for the supply of competitive retail electric service for those customers. The process shall be an auction. Only bidders certified under section 4928.08 of the Revised Code may participate in the auction.
