To: MATT Butler Public Information Officer
Ohio Power Siting Board
180 E. Broad Street
Columbus, Ohio 43215

This letter is to inform the Ohio Power Siting Board that we are still opposed to the Birch Solar Project in Allen and Auglaize County (Ohio). This is prime farm land and a excellent residential area. I feel it is totally unnecessary to take our farm ground out of production for this project.

Again I will say, we are totally opposed to the Birch Solar Project and hope the Ohio Power Siting Board can help us get rid of this problem
