Re: *In re Birch Solar*, Case No. 20-1605-EL-BGN

Dear Board:

On July 29, 2022, the Shawnee Township Board of Trustees submitted a letter to the Ohio Power Siting Board (OPSB) enclosing a list of persons who had signed a petition regarding the Birch Solar project. This list included the following names of members of Against Birch Solar: Dennis W. and Linda M. Beckstedt; Jesse M. and Kacie L. Bott; Ryan J. and Stacy Brenneman; Patricia A. and Roger R. Buzard; Jamie and Kyle Carder; Cheryl M. Counts; Anita Doll; John and Joyce Fickel; Ann Marie R. and Christopher H. Fisher; Deed Hall; Kathy and Thomas Hull; Angie M. and Kenneth R. McAlexander; Alexandra and Timothy Rostorfer; John and Paula Spring; Ginny L. and James W. Thompson III; Susan and William E. Walter; Althea A. Wellman; Ellen Wiegung; and Nancy Wiegung. These persons signed the petition referenced in the township's letter prior to withdrawing from the case on May 16, 2022. They had no prior knowledge of the township's intent to submit their names on the list of petition signers submitted on July 29, 2022, nor did they authorize the inclusion of their names on the list filed with the Board. They request that the Board disregard the inclusion of their names on this list.

Sincerely,

Jack A. Van Kley
