DOCKETING CASE #: 21-0887-EL-AIR

SUBJECT: Duke Energy Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Consumer Comment:

The Staff Report harms consumers, under R.C. 4909.15 and other authority, by not removing all short-term incentive compensation expense from operating expenses and rate base. There isn't a defined review of these charges and there should be a routine review of these charges.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
