

## THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE AMENDMENT OF  
THE RULES IN OHIO ADM.CODE  
CHAPTERS 4901:5-1, 4901:5-3, 4901:5-5,  
AND 4901:5-7 REGARDING LONG-TERM  
FORECAST REPORTS.

CASE NO. 21-779-GE-ORD

### ENTRY

Entered in the Journal on September 8, 2022

{¶ 1} R.C. 111.15(B) and R.C. 106.03(A) require all state agencies to conduct a review, every five years, of their rules and to determine whether to continue their rules without change, amend their rules, or rescind their rules. The Commission has opened this docket in order to review the long-term forecast report rules in Ohio Adm.Code Chapters 4901:5-1, 4901:5-3, 4901:5-5, and 4901:5-7.

{¶ 2} On September 7, 2022, the Commission issued an Entry requesting stakeholder comments regarding Staff's proposed rules in the above Ohio Adm.Code chapters.

{¶ 3} The attorney examiner notes comments and reply comments are due on September 23, 2022, and October 7, 2022, respectively. The Commission Entry inadvertently listed an incorrect time period for comment within the Summary in Paragraph 1 of the Entry. Paragraph 10 and Paragraph 12 correctly directed parties to file comments and reply comments by September 23, 2022, and October 7, 2022, respectively. To avoid any confusion, the attorney examiner clarifies that stakeholders should adhere to the directives given by the Commission within the substance of the Entry, Paragraph 10 and Paragraph 12, meaning comments and reply comments are due on September 23, 2022, and October 7, 2022, respectively.

{¶ 4} It is, therefore,

{¶ 5} ORDERED, that the commenting period outlined in paragraphs 10 and 12 of the September 7, 2022 Commission Entry be observed, consistent with Paragraph 3 of this Entry. It is, further,

{¶ 6} ORDERED, That a copy of this Entry be sent to the Electric-Energy and Gas-Pipeline industry service lists. It is, further,

{¶ 7} ORDERED, That a copy of this Entry be served upon all investor-owned electric utilities in the state of Ohio, all certified competitive retail electric service providers, all regulated gas and natural gas companies, all certified retail natural gas suppliers, the Ohio Consumers' Counsel, and all other interested persons of record.
