Re: *In the Matter of the Application of Northeast Ohio Natural Gas Corp. for Approval of Alternative Regulations, Case Nos. 20-1427-GA-ALT*

Dear Ms. McNeal:

Pursuant to Paragraph 36(c)(4) of the Commission's Opinion and Order issued on September 8, 2021 ("Order"), in the above captioned case, on June 6, 2022 Northeast Ohio Natural Gas Corp. ("NEO") filed the update letter for this matter. That update letter included the annual revenue and expense information required by the Order. Also pursuant to the Order, that proposed rate would go into effect 90 days from the date of that filing unless Staff requested an extension of time.

On August 16, 2022 Staff filed a Review and Recommendation ("Staff Recommendation"). Staff found the Company's calculations were correct and had no recommendations or adjustments.

In light of the Order and the Staff Recommendation, NEO hereby files final tariffs with the new rates approved by Staff effective as of October 1, 2022. NEO will also file the new final tariffs in its tariff docket 89-8012-GA-TRF.

Very truly yours,

/s/ N. Trevor Alexander
