DOCKETING CASE #: 21-0637

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Columbia Gas currently charges customers a minimum of roughly \$39 a month regardless of whether or not they use any gas. Columbia Gas is proposing DOUBLING their customers bill, even when they don't use any gas... this is a cash grab on the part of Columbia Gas, and they should be ashamed of themselves, and PUCO should absolutely not allow it

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
