SUBMITTED ON BEHALF OF THE STAFF OF  
THE PUBLIC UTILITIES COMMISSION OF OHIO**

On August 30, 2022, Vesta Solutions, Inc. (Applicant) filed an application to change its official name. The Applicant proposes to change its name to Motorola Solutions Connectivity, Inc. as part of a national rebranding and marketing campaign. The Applicant has no customers in Ohio. Thus, customer notification was unnecessary.

The Applicant is a competitive emergency telecommunications carrier who was granted a certificate of public convenience and necessity, 90-8004, on August 22, 2019, under Case No. 19-1458-TP-ACE.

The Applicant included the title pages of its PUCO Tariff No. 1 reflecting the new name. In addition, a revised Ohio Secretary of State certificate was included displaying the new name.

The application is being filed pursuant to Ohio Adm.Code 4901:1-6-29. Absent full or partial suspension, applications to change a name will be approved in accordance with the thirty-day automatic approval process described in Ohio Adm.Code 4901:1-6-05.

The Staff reviewed all documents filed August 30, 2022. Therefore, the application appears to satisfy the Commission's requirements set forth in Ohio Adm.Code 4901:1-6-29. Staff recommends that this application be approved on September 29, 2022. Upon approval of the application, Staff will issue a revised certificate and file the necessary forms to reflect the new name in the Commission's databases.
