ENTRY

Entered in the Journal on October 13, 2022

{¶ 1} Columbia Gas of Ohio, Inc. (Columbia or the Company) is a natural gas company and a public utility as defined by R.C. 4905.03 and R.C. 4905.02, respectively. As such, Columbia is subject to the jurisdiction of this Commission pursuant to R.C. 4905.04, 4905.05, and 4905.06.

{¶ 2} The fixation of rates for public utilities in the state of Ohio is governed by R.C. Chapter 4909. The statutory requirements for an application to increase a public utility's rates are enumerated in R.C. 4909.17, 4909.18, 4909.19, and 4909.43. Also, pursuant to R.C. 4901.13, 4909.04(C), and 4909.18, the Commission adopted Ohio Adm.Code 4901-7-01 and its Appendix (Standard Filing Requirements). These Standard Filing Requirements specify

the format for filing all information required in an application for an increase in rates and define the information that the Commission requires pursuant to R.C. 4909.18(E).

{¶ 3} Further, pursuant to R.C. 4929.05(A), a natural gas company may request approval of an alternative rate plan by filing an application to establish or change a rate under R.C. 4909.18.

{¶ 4} On May 28, 2021, Columbia filed separate notices of its intent to file an application for an increase in rates and an application for approval of an alternative rate plan. First, in accordance with Ohio Adm.Code 4901-7-01, Appendix A, Chapter I(B), the Company filed notice of intent to file an application for an increase in rates. Second, pursuant to Ohio Adm.Code 4901:1-19-06(A), the Company filed a notice of its intent to file an application for approval of an alternative rate plan.

{¶ 5} Also, on May 28, 2021, Columbia filed a motion to establish a test year and date certain and for waiver of certain filing requirements pursuant to R.C. 4909.15(C) and Ohio Adm.Code 4901-7-01 and 4901:1-19-02(D), respectively. By Entry issued July 7, 2021, the Commission approved the test year and date certain and granted in part and denied in part the requested waiver of specified Standard Filing Requirements.

{¶ 6} On June 30, 2021, Columbia filed a combined application to increase rates and charges and for approval of an alternative rate plan pursuant to R.C. 4909.18 and R.C. 4929.05, respectively.

{¶ 7} On August 10, 2021, Staff filed a letter stating that Columbia's application substantively conformed with the Standard Filing Requirements found in Ohio Adm.Code 4901-7-01, Appendix A.

{¶ 8} By Entry dated August 25, 2021, the Commission found that Columbia's application for an increase in rates and for an alternative rate plan be accepted for filing as of June 30, 2021.

{¶ 9} Staff conducted an investigation of the facts, exhibits, and matters relating to Columbia's applications. On April 6, 2022, Staff filed a comprehensive written report of its investigation in the above-captioned case dockets.

{¶ 10} By Entry dated April 14, 2022, the attorney examiner issued a procedural schedule, setting the matter for hearing on June 15, 2022.

{¶ 11} On May 11, 2022, the attorney examiner issued an Entry scheduling the local public hearings and rescheduling the prehearing conference. On May 19, 2022, the attorney examiner issued an Entry scheduling an additional local public hearing and further rescheduling the prehearing conference.

{¶ 12} On June 3, 2022, the attorney examiner granted Columbia's unopposed motion for a continuance and rescheduled the evidentiary hearing to July 13, 2022. Further, motions to intervention were granted for Ohio Energy Group, Ohio Consumers' Counsel, Ohio Partners for Affordable Energy, Interstate Gas Supply, Inc., Retail Energy Supply Association, Northeast Ohio Public Energy Council, Ohio School Council, Ohio Manufacturers' Association Energy Group, Environmental Law & Policy Center, The Kroger Co., Citizens' Utility Board of Ohio, and Industrial Energy Users-Ohio.

{¶ 13} Subsequently, on July 1, 2022, the attorney examiner granted Columbia's unopposed request for a continuance and rescheduled the evidentiary hearing to August 9, 2022. On August 5, 2022, the date for evidentiary hearing was further extended to October 18, 2022, at Columbia's request.

{¶ 14} On October 7, 2022, Columbia filed an unopposed motion for a continuance and request for expedited consideration. Columbia represented that more time is needed to continue to engage in serious bargaining among the parties to determine whether settlement is possible and to finalize the terms of that settlement.

{¶ 15} At this time, the attorney examiner finds that the evidentiary hearing previously scheduled for October 18, 2022, should be rescheduled to November 1, 2022, at

10:00 a.m., in Hearing Room 11-A at the offices of the Commission, 180 East Broad Street, 11th Floor, Columbus, Ohio 43215-3793. The parties should register at the lobby desk and then proceed to the 11th floor to participate in the hearing.

{¶ 16} The attorney examiner further finds that a prehearing conference should be held, in order to discuss that status of this case, on October 18, 2022, at 10:00 a.m., in Hearing Room 11-A at the offices of the Commission, 180 East Broad Street, 11th Floor, Columbus, Ohio 43215-3793.

{¶ 17} Any accommodations necessary to ensure availability of social distancing and plexiglass dividers should be made in advance of the hearing. As pandemic restrictions are evolving, additional instructions regarding further safety requirements or accommodations for the hearing room will be forthcoming, either posted on the Commission's website or communicated to the parties.

{¶ 18} It is, therefore,

{¶ 19} ORDERED, That the evidentiary hearing be rescheduled for November 1, 2022, as set forth in Paragraph 15. It is, further,

{¶ 20} ORDERED, That a prehearing conference be held on October 18, 2022, as set forth in Paragraph 16. It is, further,

{¶ 21} ORDERED, That a copy of this Entry be served upon all parties of record.
