**DOCKETING CASE #: 21-0637-GA-AIR**

**SUBJECT:** Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: While a rate increase is justified considering none has been proposed since 2008, it is unfair to assess current citizens for what should have been implemented gradually over the past years. A 21.3% increase has been mentioned and with current inflation, a 4-5% increase seems reasonable. Maumee residents are also being subjected to significant water bills and real estate tax increases.
