

Memo

To: Docketing Division
From: Thomas Persinger, Rail Project Specialist, Rail Division
Cc: PUCO Legal Department
Date: 10-13-2022
Re: PUCO Case No. 21-683-RR-FED- In the Matter of a Request for the Installation of New Active Warning Devices at Michigan Southern Railway Grade Crossing, DOT# 477-808K, on US 127 in Paulding County, Ohio.

On May 11, 2021, the Ohio Rail Development Commission (ORDC) authorized construction for Michigan Southern Railway to install active warning devices at the following location:

Street	DOT#	County	Project
US 127	477-808K	Paulding	Lights and Gates

On July 14, 2021, the Commission issued a Finding and Order approving the project and ordering completion by April 14, 2022.

The crossing project has been completed and is in-service as follows:

Street	DOT#	County	Date of Completion
US 127	477-808K	Paulding	10-14-2021

Accordingly, the above case may be closed.

Persinger, Thomas

You don't often get email from thomas.persinger@puco.ohio.gov. [Learn why this is important](#)

[EXTERNAL] - This Email originated outside of your organization. **Do Not Click** links, open attachments or reply, unless you recognize the sender's email address and know the content is safe!

Thank you for your quick response Brice.

Two other crossings I have questions on that were also approved by the Commission in 2021:

1. 477808K on US 127 in Paulding County- status on the project? If it's complete, do you have a date? **Completion date for US 127 was 10/14/2021**
2. 477822F on Kroos Drive in Paulding County – when was the project in service? We have final inspection info for this project but no completion/in-service info.

Completion, and in service dates for Kroos Drive was 09/01/2021.

Thank you, have a good weekend.
