Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

The continued increases in energy rates and the 3rd party suppliers is reckless and damages the bottom line of customers. The service/product has not changed but the prices are outlandish with respect to building a home budget.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
