Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

I am opposed to the potential increase in the Fixed Monthly Delivery Charge. Tripling a fixed charge is ridiculous. No new lines or meters have been installed so why should there be a tripling of a fixed charge.
