**SUBJECT:** Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Columbia Gas has requested a rate increase that will result in fixed monthly fees that will increase to nearly \$80 from \$16 over the next 5 years. Unfortunately now is not the time to burden consumers with higher bills. Consumers are paying more for groceries, gas, and other goods needed to survive yet most of us are not receiving higher wages to even out all of these price increases. People shouldn't have to decide between heating their homes or feeding their families. I kindly ask that Columbia Gas' request be denied. Thanks!
