RE: In the Matter of the Application of Aqua Ohio, Inc. to Increase its Rates and Charges for Its Waterworks Service in Case No. 21-0595-WW-AIR;

In the Matter of the Application of Aqua Ohio Wastewater, Inc. to Increase its Rates and Charges for Its Wastewater Service in Case No. 21-0596-ST-AIR

Dear Docketing Division:

On October 12, 2022, Aqua Ohio, Inc. and Aqua Ohio Wastewater, Inc. filed revised tariffs in Case Nos. 21-595-WW-AIR and 21-596-ST-AIR, respectively. These revised tariffs are not consistent with Joint Exhibit 3.0 filed with stipulations on June 16, 2022. For example, they include additional hose connection rates and modify volumetric rate blocks. Because the proposed revisions are not consistent with the stipulation exhibits, Staff recommends that the Commission reject Aqua's revised tariffs filed on October 12, 2022.

Respectfully submitted,

Marianne Townsend  
Chief, Regulatory Utility Services  
Rates and Analysis, Dept.  
Public Utilities Commission of Ohio
