Dear Ms. Troupe :

RE: "SmartestEnergy US LLC ARFA Amendment" Docket No. 22-01-AU-RPT.

On October 11, 2022, SmartestEnergy US LLC ("SEUS") received an email from Chester Kowalski, of Commission staff, notifying SEUS of a discrepancy with the reported sales volume between SEUS' 2021 ARFA filing and its' 2021 ACP filing. SEUS has reviewed its' filings and has determined that the volumes in its' ACP filing are correct, but the volume and revenue in its' ARFA filing are not correct. SEUS' original ARFA filing erroneously included volumes and revenues for several states that SEUS operates in, rather than just including Ohio volumes and revenues. This mistake was caused by a clerical error.

As per the guidance of Chester Kowalski, the volumes have been corrected and both the original and corrected volumes have been attached. As a result, SEUS is respectfully requesting the Commission's approval to amend its' Annual Report for Fiscal Assessment (ARFA) for calendar year 2021 to correct the volumes and revenues.

In addition, SEUS has received an invoice from PUCO for its annual assessment (copy attached). The invoiced amount was based on SEUS' incorrect ARFA filing. Therefore, SEUS is also respectfully requesting that the Commission adjust this invoice to reflect the corrected volumes and revenues.

If you have any questions, please contact me at (315) 545-5187 or Regulatory-Affairs-US@smartestenergy.com

Very Truly Yours,

Kiersten O'Connor
