SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

The comments are below:

I urge PUCO to fully reject the proposed rate hikes from Columbia Gas. During these difficult times, companies like Columbia Gas should be reducing consumer costs not increasing their revenues and bottom line. I believe Columbia Gas knows that what they are asking is not just unreasonable but criminal. For that reason, they have done little to advertise public hearings on the issue. Every discussion, meeting, and hearing on the proposed hike should be in bold print on our monthly bills so that our right to voice our opinion is respected. I urge you PUCO to reject ANY rate hikes from Columbia Gas.

Sincerely,

Michael Lumbard
