DOCKETING CASE #: 20-1651-EL-AIR

SUBJECT: Dayton Power & Light Company - Protest Rate Case

I don't agree with adding another charge for the upgrade of the system. We just got our utilities more than double in price. I'm on a fixed income, and my electric bill has more than doubled already. Instead of giving the shareholders and execs an increase in salary use that money to upgrade. It's not my fault that the equipment hasn't been maintained properly!!! People can't afford this nonsense. I'm totally against any more charges and I don't know why Dayton quit generating at the local plant? Please don't let them get it passed!!!
