"This is not specific to this property or any specific Columbia gas bill but in general on any bill. I understand fixed costs but when fixed cost are around \$40+ per month and the billing cycle is only for 4 days why isn't the fixed costs pro rated for the 4 days? My use in 4 days was 7 ccf but my overall bill was for \$45.80 because I was billed for 30 days of fixed charges instead of a pro ration for 4 days of the fixed charges."
