RE: Case #21-1231-EL-BGN - Fountain Point Solar

The Commissioners of Logan County, Ohio, after listening to their residents, filed Resolution #196-22 on August 11, 2022, designating the townships of Bloomfield, Bokescreek, Harrison, Jefferson, Lake, Liberty, McArthur, Monroe, Perry, Richland, Rushcreek, Stokes, Union, Washington and Zane and all unincorporated areas as shown in the map attached to Resolution #196-22 as restricted areas to prohibit the construction of economically significant wind farms, large wind farms and large solar facilities throughout.

Residents, township trustees and Commissioners of Logan County, Ohio, those who live and work in the community, have voiced their opposition to the Fountain Point installation and the OPSB should abide by their decision and deny this project as it does not meet public interest, convenience and necessity.
