Section B: Applicant Managerial Capability and Experience

B-1. Jurisdiction of operations

List all jurisdictions in which the applicant or any affiliated interest of the applicant is certified, licensed, registered or otherwise authorized to provide retail natural gas service or retail/wholesale electric service as of the date of filing the application..

Jurisdiction of Operation: Open Market Energy LLC is licensed to operate as a gas or electric energy aggregator/broker under the name Open Market Energy LLC in the following States: Maryland: July 2010 • Washington, D.C.: April 2011 • Pennsylvania: July 2015 • Delaware: August 2017 • New Jersey: September 2017 Massachusetts: June 2018 Virginia: December 2019, New York: July 2018,

B-2. Experience and plans

Describe the applicant's experience in providing the service(s) for which it is applying (e.g., number and type of customers served, utility service areas, amount of load, etc.). Include the plan for contracting with customers, providing contracted services, providing billing statements and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Sections 4928.10 and/or 4929.22 of the Ohio Revised Code.

Application Experience and Plan Description: Open Market Energy LLC does not supply or take title to electricity and does not enter into any contract with customers. As electrical service brokers, the only contract is between the suppliers and the customers. We do not bill the customer for any energy procurement services and we are entirely compensated by the suppliers we represent. OME assists and advocates for our customers with any issues (billing, usage, taxation or energy related) that they may have with the utility or supplier as it relates to energy procurement. Customers can reach out to their account manager at any time for assistance, either contacting them directly or using our toll-free number. OME defers to existing fair dispute resolution procedures that utilities/suppliers have in place. Steve Pritchett, our VP of Business Development, will be responsible for the operations conducted in Ohio. Mr. Pritchett has over 30 plus years of experience in the energy business. His experience includes 10 years of work for a utility company in the DC metropolitan area where he analyzed tariff classes and managed natural gas procurement for large interruptible gas accounts. Pritchett's experience also includes 20 years as a broker/account manager at WGES(now WGL) for both electric and natural gas customers.

B-3. Disclosure of liabilities and investigations

For the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant, describe all existing, pending or past rulings, judgments, findings, contingent liabilities, revocation of authority, regulatory investigations, judicial actions, or other formal or informal notices of violations, or any other matter related to competitive services in Ohio or equivalent services in another jurisdiction..

Liability and Investigations Disclosures: N/A Open Market Energy LLC has no Liabilities and Investigations to disclose.

B-4. Disclosure of consumer protection violations

Has the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant been convicted or held liable for fraud or for violation of any consumer protection or antitrust laws within the past five years?

No

B-5. Disclosure of certification, denial, curtailment, suspension or revocation

Has the applicant, affiliate, or a predecessor of the applicant had any certification, license, or application to provide retail natural gas or retail/wholesale electric service denied, curtailed, suspended, revoked, or cancelled or been terminated or suspended from any of Ohio's Natural Gas or Electric Utility's Choice programs within the past two years?

No

Section C: Applicant Financial Capability and Experience

C-1. Financial reporting

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

Does not apply

C-2. Financial statements

Provide copies of the applicant's two most recent years of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial statements are not available, provide officer certified financial statements. If the applicant has

not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted**.

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

File(s) attached

C-3. Forecasted financial statements

Provide two years of forecasted income statements **based solely on the applicant's anticipated business activities in the state of Ohio**.

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

File(s) attached

C-4. Credit rating

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services, Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization

Public Utilities Commission

and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

This does not apply

C-5. Credit report

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity seeking certification. At a minimum, the credit report must show summary information and an overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

File(s) attached

C-6. Bankruptcy information

Within the previous 24 months, have any of the following filed for reorganization, protection from creditors or any other form of bankruptcy?

- Applicant
- Parent company of the applicant
- Affiliate company that guarantees the financial obligations of the applicant
- Any owner or officer of the applicant

No

C-7. Merger information

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

No

C-8. Corporate structure

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies,

subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

Stand-alone entity with no affiliate or subsidiary companies

Section D: Applicant Technical Capacity

D-1. Operations

Retail natural gas brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of natural gas to retail customers.

Retail natural gas brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of natural gas to retail customers.

Operations Description: OME provides electric and gas account procurement services and account management for a client profile, which is mainly comprised of commercial businesses and mid-size real estate developers. Open Market Energy LLC does not supply the natural gas and does not enter into any contract with customers. As natural gas brokers, the only contract is between the suppliers and the customers. We do not bill the customer for any services and we are entirely compensated by the suppliers we represent.

Open Market Energy assists and advocates for our customers with any issues (billing, usage, taxation or energy related) that they have with the utility or supplier as it relates to energy procurement. Customers can reach out to their account manager at any time for assistance, either contacting them directly or using our toll-free number. OME defers to existing fair dispute resolution procedures that utilities/suppliers have in place.

D-2. Operations Expertise & Key Technical Personnel

Public Utilities Commission

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-mail addresses, and background of key personnel involved in the operations of the applicant's business.

Operations Expertise & Personnel Description: OME provides electric and gas account procurement services and account management for a client profile, which is comprised of commercial businesses and mid-size real estate developers. The clients' energy usage is anywhere from 1 to 50 million kWh per year over multiple accounts. We currently manage over 3,000 electric meters and over 5,000 natural gas meters, serving over 1,000,000,000 kWhs and 7,500,000 dth. Our clients include MGM Casino, Panera Bread, Washington Properties, Associated Press, CSPAN and Matan Development. Open Market Energy has developed significant relationships with the major property managers, industrial customers and government agencies in the Washington Metropolitan Area.

Competitive Retail Natural Gas Service Affidavit

County of Montgomery :

State of Maryland :

John P Gardiner, Affiant, being duly sworn/affirmed, hereby states that:

1. The information provided within the certification or certification renewal application and supporting information is complete, true, and accurate to the best knowledge of affiant, and that it will amend its application while it is pending if any substantial changes occur regarding the information provided.
2. The applicant will timely file an annual report of its intrastate gross receipts and sales of hundred cubic feet of natural gas pursuant to Sections 4905.10(A), 4911.18(A), and 4929.23(B), Ohio Revised Code.
3. The applicant will timely pay any assessment made pursuant to Sections 4905.10 and 4911.18(A), Ohio Revised Code.
4. Applicant will comply with all applicable rules and orders adopted by the Public Utilities Commission of Ohio pursuant to Title 49, Ohio Revised Code.
5. Applicant will cooperate fully with the Public Utilities Commission of Ohio and its staff on any utility matter including the investigation of any consumer complaint regarding any service offered or provided by the applicant.
6. Applicant will comply with Section 4929.21, Ohio Revised Code, regarding consent to the jurisdiction of the Ohio courts and the service of process.
7. Applicant will comply with all state and/or federal rules and regulations concerning consumer protection, the environment, and advertising/promotions.
8. Applicant will inform the Public Utilities Commission of Ohio of any material change to the information supplied in the application within 30 days of such material change, including any change in contact person for regulatory purposes or contact person for Staff use in investigating consumer complaints.
9. The facts set forth above are true and accurate to the best of his/her knowledge, information, and belief and that he/she expects said applicant to be able to prove the same at any hearing hereof.
10. Affiant further saith naught.
