DOCKETING CASE #: (21-0637-GA-AIR)

SUBJECT:

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Customer called to state he is against the proposed increase by CGO. He said he is already paying more for the customer charge than for the actual gas most months of the year. This is a horrible time to even request such a raise with the cost of everything already being too high to afford. Informed him I will forward his comments to Docketing to be included in the case filing.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
