BIBLE VERSE OF THE DAY

Jesus said, “I tell you the truth, I am the gate for the sheep; whoever enters through me will be saved. He will come in and go out and find pasture. The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.”

—John 10:7,9-10

Thoughts on Today’s Verse...

Jesus came to the world to give us life. He didn’t come to bring us rules, or judgement, or fear, or work. Jesus came to give us life in its fullest form. While we know that this is promised to us when we go to be with him for all eternity, John wants us to clearly hear that Jesus’ promise to give us

life begins right now! Not JUST life later, but also life NOW!

My Prayer...

Almighty God, I confess that sometimes I play life too carefully, not risking failure and loss and not reaching for your opportunities and your concerns. Give me a heart that yearns to live life in all its fullness by seeking after your will, Jesus’ example and the Holy Spirit’s leading in my decisions today, and always. Through the name of Jesus I ask this to your glory. Amen.

Scam

From page 1

the company’s website. They recommend you take time validating websites that offer unusually good deals. They warn about sending money or personal documents to a company through email, saying that these companies do not request such information. Finally, they recommend you keep your antivirus software updated and running.

Scioto County Sheriff David Thoroughman echoed much of what AVG warned.

“Now days reports of scams are common, with both e-mails and text, as well as other forms. With e-mails, attackers often masquerade as a large account provider like AT&T, Microsoft, Google, or even a co-worker,” Thoroughman expanded on. “In text, they are often disguised as trustworthy communications from businesses like Amazon, FedEx, and etc., and are delivered in plain text and come across as more personal.”

More and more reports are being made about digital scamming, one which was recently stopped by Thoroughman himself.

“I know of one text scam which occurred very recently. In that text it proclaimed that you could receive \$800 for your current phone but listed multiple carriers,” Thoroughman recounted. “I advised the person that most likely it was a scam, to contact their provider and ask. I was advised by the person receiving that text that it was a scam.”

Thoroughman also gave tips on how to avoid being scammed.

“I would like to remind everyone to never pay someone who insists you pay with a gift card or by using a money transfer service. Also, never deposit a check and send money back to someone,” Thoroughman explained. “Stop and talk to someone you trust. Before you do anything else, tell someone — a friend, a family member, a neighbor — what happened. Talking about it could help you realize it’s a scam.”
