DOCKETING CASE #: 20-1651-EL-AIR
20-11050-EL-AAM
20-11053-GA-ATA
SUBJECT: Dayton Power & Light Company - Protest Rate Case

Description: First we were told our Electric bill would be increased from 06/2022 to 06/2023 for what ever?? My bill almost doubled from that notice on!! Now on local news last night they said AES Ohio wants a increase in electric rates!! Then this morning I seen a commercial for AES Ohio? Now I have always understood that commercials are VERY expensive? So If they can afford to spend money on commercials they sure do not need any type of rate increase!!! Being 71 yo and on a fixed income it is very noticeable when a utility bill doubles!! I just received my electric bill today \$89.04, Last December bill \$56.07 for the same amount electricity! So my feelings are this, They are already gouging us \$30.00+ per month from 06/22 to 06/23 that is enough for now!!!!

Thank You
